

Project Restore 2.0 Funding Opportunity

Are you a small business owner looking to open or relocate in Downtown Salisbury? The City of Salisbury is accepting applications for Project Restore 2.0 from the Maryland Department of Housing and Community Development. This is not a grant application, nor does it guarantee you will receive funds.

Purpose of Grant: Support downtown and historic commercial corridors by activating vacant properties with street-level access.
Use of Funds: Grant requests can range from a minimum of \$30,000 to a maximum of \$300,000. Funds can be used for rent payments, renovation and fit out of the building (interior and/or exterior), furniture, fixtures and equipment.

For more information or to apply by April 14th, visit the City's website using this link salisbury.md/project-restore-2-0-funding

Salisbury Fire Dept. Staff Achievements

Assistant Logan Helmuth Selected for Executive Fire Officer Program

AC Logan Helmuth will be attending the Executive Fire Officer Program at the National Fire Academy over the next two years. This program is the pinnacle of training for leadership in the fire service. Logan

Deputy Chief Chris O'Barsky Speaks at National Conference

Deputy Chief Chris O'Barsky presented at this 2-day multi-faceted training and network event. His presentation, "When the Demons Control the Darkness" is his personal reflection on his journey

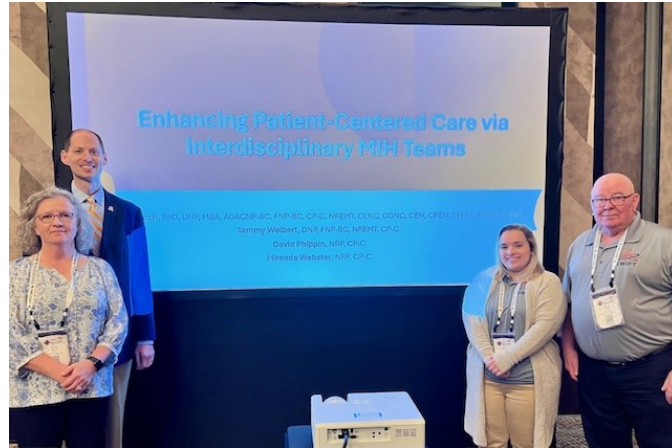

will attend multiple week-long courses, complete an online (6-week) program, and also complete and defend several research papers. After completing this program, Logan will become one of less than 5,000 EFO graduates worldwide and one of less than 100 in the State of Maryland.

into the darkness of depression, anxiety, substance abuse, and suicide. In addition, he discussed his continued journey of recovery and the ripple effect that his family has experienced.

Salisbury Paramedic Foundation 5K Fun Run/Walk coming up on April 27th!

A 5k run/walk around the city of Salisbury's beautiful park and zoo. Proceeds from the race will fund the Paramedic Foundation of Salisbury which will be purchasing several AED's to place around the county, funding educational scholarships for paramedic training, and many other worthwhile community projects for the residents of Salisbury and Wicomico County.

FRIDAYS FROM 4:30–5:30 PM

Bridge Replacement to Begin

The Maryland Department of Transportation State Highway Administration is beginning construction on a \$12.6 million project to replace the bridge on US 13B (South Salisbury Boulevard) over the Wicomico River in the Salisbury area of Wicomico County. The project is expected to be complete in 2026, weather permitting. Originally constructed in 1937, the bridge is safe for the traveling public but is nearing the end of its useful service life. In addition to demolishing and replacing the

existing bridge, the project will include:

- New Americans with Disabilities Act-compliant sidewalks along both sides of the bridge;
- A shared-use hiker and biker path on the east side of US 13B from E. Carroll Street to E. Main Street;
- Refined traffic signal timing at the US 13B/E. Carroll Street intersection to allow for lead time at pedestrian crossings; and
- Resurfacing of US 13B from E. Carroll Street to Calvert Street.

During construction, alternating traffic patterns may be implemented, and motorists may experience delays as the project progresses.

Contractor George & Lynch Inc., of Dover, Del., will perform the work. Learn more about the project [here](#).

Request for Expressions of Interest

The city of Salisbury is seeking Expressions of Interest from all interested parties in the disposition of Anne Street Village.

Anne St. Village transitional housing complex
