Re: Fire Station #1 Kitchen Remodel

In the Fall of 2023, the department conducted a vehicle surplus sale on GovDeals for the sale of Truck 2 and Brush 16. The sales closed and the City received a total of \$238,187.50 from the successful bidders. On January 3, 2024, Ordinance #2841 was passed that appropriated the funds from the sale of the vehicles to various projects and accounts that were much needed within the FD to allow for continued operations and facility repairs/upgrades. One of these projects was the renovation of the kitchen area at Fire Station 1 and \$142k was allotted for the design and build. The kitchen at Station 1, when re-designed in 2004, was not built for an engine and ambulance crew to be there 24/7/365. Therefore, residential grade cabinets, countertops, and appliances were installed at that time. With the exponential growth of the department since 2004, there is now a fire and EMS crew there with a minimum of five people, 24/7/365. The FD has a desperate need to upgrade this kitchen with commercial cabinets, countertops, and appliances and felt that using a portion of the funds collected from the sale of the apparatus was the fiscally responsible thing to do with those funds.

FD staff worked with Procurement in January 2024 to develop and issue an RFP for the kitchen renovation at Fire Station 1. RFP 24-103 was created and listed on the City's Procurement Portal in late January. Proposals were opened on February 28, 2024 and we only received one proposal that came in at \$90k. The initial proposal was missing some information, but we felt it was responsible to allow the contractor to provide the requested information after submittal. On March 13, 2024, Procurement and FD staff met with the contractor at Sta. 1 to review the project and discuss the missing information. On March 22, 2024, the contractor provided the additional information. After internal discussions, Procurement and FD Staff were not comfortable with awarding the bid to the contractor and the contractor was notified of such on April 1, 2024.

The project was then further delayed because of the on-going collective bargaining agreement negotiations and the outcome of them, financially, being unknown. This further delayed the re-bid of the kitchen renovation project. Due to time constraints and approaching the end of the Fiscal Year, Procurement and FD staff decided to reach out to two contractors that have been vetted and approved by Wicomico County, whose pricing we could piggyback on. One of the contractors failed to respond to our request; however, we were able to set up a

Salisbury Fire Department 325 Cypress St. Salisbury, MD 21801 410-548-3120 www.salisbury.md

meeting with the second contractor in mid-May. This contractor provided us their quote on May 31st, which was more than double the first contractor's bid. At this point, FD staff felt that it was not fiscally responsible to proceed with this contractor, even though we would not be able to rebid this project before the end of the Fiscal Year.

It was discussed internally, that we would allow for the funds to be returned to the General Surplus Fund at the end of FY24 per City Charter and come before Council in early FY25 to request the \$142k be returned to our Buildings account; so that we may re-bid the kitchen renovation project in FY25 and hopefully get a more fiscally responsible quote from a qualified contractor.

I am asking for the support of the Mayor, City Council, and yourself in allocating the funds that were given back to the City at the end of FY24 and allowing us to proceed with a more fiscally responsible approach to completing the long overdue kitchen renovation.

Council,

The Truitt Street Community Center construction project is nearing completion, and we need additional funding to complete it. We have overcome several challenges throughout this project that saw cost increases and delays, but we are approaching the finish line.

We funded \$27,500 for the deck and relocation of HVAC at the existing building from unused FY24 HCDD monies before the June 30, 2024 deadline. However, several quotes were not received in time for us to place purchase order encumbrances before that deadline. The following items are needed to fund for completion:

Painting Doors (Interior) Windows (Interior) Appliances Shelving

ELECTIONEERING AND CAMPAIGN SIGNS

Maryland law prohibits electioneering within 100 feet of the entrance or exit to a polling place on Election Day. "Electioneering" is campaigning for or against a candidate. This includes, but is not limited to: handing out materials, canvassing, campaigning, posting or holding signs, encouraging voters to support or oppose a specific candidate or political party.

In addition, all campaign signs must be removed immediately after the election. The candidates are responsible for making sure this is taken care of.

GUIDANCE FOR CANDIDATES REGARDING THE DOMICILE REQUIREMENT

The City Charter requires each candidate for election to file a Certificate of Nomination that states, among other things, that he or she meets the required minimum length of time he or she has been domiciled in the City, and, in the case of candidates for Council, in the boundaries of the District for which he or she is running.

An individual's "domicile" is established by an individual intending to treat a place as his or her true, fixed, and permanent home. An individual's mere intent to treat a place as his or her domicile is not enough. Intent must be supported by action, and two of the most important actions showing intent is where the person lives and is registered to vote.

Additional criteria used to determine a person's domicile may include, but is not limited to:

- the paying of taxes and statements on tax returns
- ownership of property
- the address at which the person receives mail
- statements as to residency contained in contracts or other documents
- statements on licenses or governmental documents
- which jurisdiction's banks are utilized
- where the person maintains charge accounts

The City of Salisbury Election Board is responsible for reviewing and determining whether the candidate satisfies the domicile requirement. In conducting that analysis, the Board first reviews the information contained in the Certificate of Nomination. If the information contained within the Certificate of Nomination raises questions about where the candidate is domiciled or a complaint is filed, the Board may seek additional information from the candidate of the types described above to determine the candidate's domiciliary intent and status. Based upon the totality of the circumstances, the Board will determine whether the candidate meets the qualifications for office sought and accept or reject the Certificate of Nomination.

City of Salisbury Election Board Complaint Procedure

The mission of the City of Salisbury Election Board ("Board") is to conduct fair and open elections that are safe and secure, provide access to the election process, protect the integrity of the vote, and maintain a transparent, accurate, and efficient process.

Any person who believes a violation of Article VI of the City Charter or Chapters 1.08 or 1.12 of the City Code has occurred, is occurring, or is about to occur, may file a complaint with the Board.

HOW TO FILE A COMPLAINT

The person filing the complaint (complainant) must provide all of the information required on the Board Complaint Form including all of the relevant facts regarding actions or events that form the basis for the complainant's belief that a violation of the City Charter or Code has occurred.

The complaint must be in writing and signed under oath by the complainant.

The Board, at a complainant's request, may attempt to keep confidential and not disclose the identity of the complainant. Confidentiality throughout the administrative determination process, however, is not guaranteed. The Board cannot guarantee "complete" confidentiality because certain disclosures may be necessary to conduct a thorough investigation and to afford any Respondent Due Process.

A complaint must be filed within 20 calendar days after the occurrence of the actions or events that form the basis for the complaint. If a complaint is filed later than 20 calendar days after the occurrence, the complaint must set forth the extenuating circumstances for the late filing. The Board may, at its sole discretion, decide whether to consider a late-filed complaint.

WHERE TO FILE A COMPLAINT

The complaint must be filed with the City Clerk's Office.

ADMINISTRATIVE DETERMINATION PROCESS

Upon receiving a complaint, the Board may decide to respond to the complaint without seeking additional information, or the Board may, at its sole discretion, seek additional information from the complainant and/or send notice to the person(s) whose actions are asserted to be in violation of the City's Election Code (respondent). If the Board requests additional information from the complainant or a response from the respondent, he or she must submit a written response within 10 calendar days from the date of the Board's request. If a timely response is not received, the Board may make a decision on the complaint based upon the information available to it.

The Board may hold a hearing on the complaint or may make a decision on a complaint without a hearing, at its sole discretion.

If the Board decides not to hold a hearing, the Board will notify the complainant and the respondent of its decision on the complaint in writing.

If the Board decides to hold a hearing, the Board will provide reasonable notice to the complainant and the respondent of the time and date of the hearing. At the hearing, the Board will allow the complainant and the respondent each 15 minutes to present evidence. The Chair of the Board may permit additional time, at his/her sole discretion. Only the Board may ask questions of each side during the hearing. The Board may make a decision after holding the hearing or may defer a decision to a later meeting.

BOARD DECISION

The Board may decide to dismiss the complaint or, if the Board finds a violation, the Board may issue an order requiring the respondent to take specified action(s) within a certain amount of time or prohibiting the respondent from taking specified action(s).

The Board will notify the complainant and the respondent of its decision on the complaint. A decision of the Board is final.
