

**Maintenance and repair work on the Circle Avenue Parking Garage during the week of September 3-6 will be conducted from 8 a.m. to 6 p.m.** While as much of the work as possible has been completed at night to limit disruptions, some day work will be required as the project goes on for several more months.

In addition, the public should be aware that as work is done, the traffic flow will be repeatedly altered.

Please use an abundance of caution and be wary of pedestrians and other drivers as you navigate your way in and out of the garage and follow the current flow.

We apologize for any inconvenience and will restrict the disruption to the smallest possible areas at a time throughout the project.

Parking in the garage is perfectly safe and if you have any questions or concerns you can contact Parking Enforcement at 410-548-3195.
