

# City of Salisbury

## APPLICATION FOR TEMPORARY WATER CONNECTION

LOCATION \_\_\_\_\_

METER SIZE \_\_\_\_\_

METER SHALL HAVE BACKFLOW PREVENTER ATTACHED

USE: \_\_\_\_\_

WATER CANNOT BE USED TO FILL SWIMMING POOLS

### SERVICE COST

<b>Meter Setting Charge:</b>	\$40.00 in-City \$50.00 out-of-City
<b>City Rates:</b>	(Water used within City limits) \$4.60/thousand gallons
<b>County Rates:</b>	(Water used outside City limits) \$9.20/thousand gallons
<b>Minimum Billing:</b>	\$10.00

For the service requested, I agree to pay to the City of Salisbury the rates established above. It is also understood that **only a duly authorized representative of the City of Salisbury shall open or close the hydrant-operating nut.** Applicant agrees that damage to hydrant, meter, and attachments are his/her responsibility. Hydrant meter installations on newly installed hydrants and/or water mains will be subject to terms stated in the construction improvement plans and/or pre-construction meeting.
