## Salisbury Police Department Partners with Wicomico County Law Enforcement to Offer Rewards for Tips on Illegal Dirt Bikes and ATV's

The Salisbury Police Department, in partnership with the Fruitland Police Department, Maryland State Police, Delmar Police Department, Pittsville Police Department, Wicomico County Sheriff's Office, and the Office of the State's Attorney—collectively known as Wicomico County Law Enforcement, is pleased to announce a cash reward initiative for information leading to the confiscation of illegal dirt bikes and ATV's within the City of Salisbury and throughout Wicomico County. This

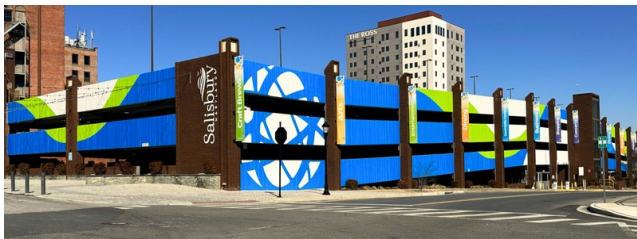

initiative is part of the City's ongoing efforts to enhance public safety and protect the well-being of our residents.

Illegal dirt bike and ATV riding on public streets in Maryland without proper registration is a violation of State law and may result in citations and/or the confiscation of illegal dirt bikes and ATV's. These activities not only disrupt the community but also pose significant safety risks to motorists and pedestrians, increasing the likelihood of serious accidents or fatalities.

Residents with information on the storage locations of illegal dirt bikes or ATV's are encouraged to contact the tip line at 443-359-3546 or if you witness illegal dirt bike or ATV activity, please fill out the [survey here](#).

By offering this reward, the Salisbury Police Department and its law enforcement partners aim to deter illegal dirt bike and ATV activity and create a safer environment for all. For more information, please contact the Salisbury Police Department at 410-548-3165, or for those who are hearing impaired call 410-749-5756, and for emergencies please dial 911.

## Downtown Parking Update

The City of Salisbury Parking Authority is pleased to announce that, effective immediately, Mobile Pay is now live for the Circle Ave Parking Garage. Garage parking is available Monday through Friday from 9

a.m. to 4 p.m. at a rate of \$2 per hour or \$10 per day, with free parking after 4 p.m. on weekdays, as well as all day on weekends and holidays. Payment can be made by card at pay stations or via mobile phone by scanning a QR code or texting "SBYPG" to 25023.

When paying, drivers must enter their license plate information and length of stay. A receipt is generated but does not need to be displayed on the vehicle. However, drivers should keep it for their records.

Additionally, on-street parking is free for up to two hours, but vehicles must be moved to the parking garage after the time limit to avoid being ticketed. Evening on-street parking remains free after 4 p.m., along with weekends and holidays.
