This work includes, but is not limited to emergency and routine system repairs, locating water/sewer lines, fire hydrant flushing and maintenance, valve exercise and maintenance/repair, cleaning and maintaining sewer lines, utility rights-of-way maintenance including mowing, operating various types of equipment and pumps, and job-site restoration tasks. Performs other duties as assigned.

Education

- High School Diploma or GED

Experience

- Six months of experience in plumbing, water and sewer operations, maintenance, or construction.

Requirements/Certifications

- Valid Driver's License.
- Ability to obtain CDL Class B license within one (1) year of employment.

How to Apply

1 Visit salisbury.md/apply

2 Submit City application, cover letter, and resume

Studies have shown that women and people of color are less likely to apply for jobs unless they believe they can perform every job description task. We are most interested in finding the best candidate for the job, and that candidate may come from a less traditional background. The City may consider an equivalent combination of knowledge, skills, education, and experience to meet minimum qualifications. If you are interested in applying, we encourage you to think broadly about your background and skill set for the role.

Jobs will be posted for a minimum of 2 weeks.

City of Salisbury, MD
