2. Approval of March Minutes

March meeting minutes were reviewed and approved.

3. Welcome & Introductions

- Carileigh is the newest member of the committee and shared her interests and experience with the group.
- Amber noted challenges with having a quorum

4. Committee Discussion

- Amber shared she had a recent meeting with the Mayor and felt reassured. She reiterated that the purpose of the committee is to make recommendations to the Mayor and to educate the community. As Chair, she would like the committee to deliver a formal advisement within 3-6 months and to also host an outreach event.
- The committee discussed changing the location of summer meetings to better engage with the community. A recommended first location was the VFW10159. The group feels this would allow the community an opportunity to attend meetings, speak on various topics, and help recruit new members. The committee desires to include law enforcement. A motion was made by Boni to pursue this plan, was seconded by Joe, and approved of by all.
- Kenisha raised the idea of a community survey. Boni was tasked with drafting initial survey questions.

The meeting was adjourned at 7:00 PM.
