

City of Salisbury Fire Department

Office of the City Fire Marshal

Rob Frampton
Fire Chief

Eric Cramer
Fire Marshal

NOTICE OF INVESTIGATION

Date and Time: 7/13/2026 at 9:23PM

Location/Address: 414 Monticello Ave; City of Salisbury

Incident Type: Structure Fire

Description of Structure/Property: 2 Story Single Family Home

Injuries/Deaths: None

Estimated Dollar Loss: \$80,000.00

Smoke Alarm Status: Present, Activated, Effective

Fire Sprinkler System Status: Not Present, Not Required

Fire Alarm Status: Not Present, Not Required

Number of Alarms: 1

Area of Origin: Attic

Preliminary Cause: Electrical

Additional Information: The Fire Marshal wants to remind residents that electrical fires can often be prevented with simple safety practices. Avoid overloading outlets with extension cords and never use frayed electrical cords. Unplug appliances when they are not in use, keep electrical equipment away from water and flammable materials, and ensure vents on electronics remain unobstructed to prevent overheating.
