Subject: Proposed Resolution to Accept Bandstand Donations
Date: July 5, 2005

The purpose of the attached Resolution is to accept the donation of services from four sub-contractors for their work on the restoration of the bandstand: B&H Coatings, Marco Supply, Lewis Steel Products, and Brown Glass. After reviewing all the previous Council resolutions accepting monetary and in-kind donations for the restoration of the bandstand, it was discovered that these four companies were never mentioned. Therefore, this resolution officially recognizes and accepts the gifts of labor and/or materials provided by these companies.
