To whom it may concern:

I received my undergraduate degree from the College of William and Mary with a Bachelor of Arts Degree. I have used this knowledge as President of the Historical Society in Orange, Virginia, and other venues. The Federal mansion, Her Place, was in need of restoration. The job was frustrating, satisfying, overwhelming and a huge pleasure. I was blessed with a very knowledgeable board and skilled craftsmen to complete the job. Restoration requires raising lots of money, extreme patience and basic research. I have thoroughly enjoyed my three appointed years and wish to be reappointed to the board; my desire is to complete the job I started as chairman of the mansion improvement committee. Sincerely,  
Dorjise W. Dyer
