Dear Mayor Tilghman:

I am interested in serving on the Poplar Hill Mansion Board of Directors.

Poplar Hill Mansion is indicative of that period early in the life of the republic when the nation's architects and builders, like the founders, sought to draw inspiration from the democratic ideals of ancient Greece and Rome, independent of England. The elements of its design are repeated in many of Salisbury's public and private buildings. The fact that the citizens of Salisbury and its government have chosen to protect that heritage speaks to the importance that this community places on its connection to that time and place.

What we construct and then preserve for future generations is a reflection of who we are. Those who came before us in Salisbury have left a rich legacy in its buildings and public spaces, in particular in Poplar Hill Mansion.

I would like to help in the preservation of that heritage. Please let me know if I assist Salisbury in this capacity.

Sincerely,

Christopher J. Russo, Jr.
