**Subject: Resolution Accepting CDBG-R (ARRA) Funds for the
Low-Mod Neighborhood Sidewalk Creation Program**

Date: October 6, 2009

As you are aware, we have been awarded Community Development Block Grant Recovery (CDBG-R) Program funds in the amount of \$81,098 for the creation of sidewalks in low-mod residential neighborhoods where none currently exist. These funds will be added to the regular CDBG funds that were set aside in PY 2008 for the same project. This project will take place in the Church Street / Doverdale CDBG target neighborhood, including (but not limited to) Dover Street, Vaden Avenue, Johnson Street and Decatur Avenue. Approximately 850 persons will be impacted by this project (50% of the block group), and of these, 62.2% will be low-mod income persons (LMISD – Census Tract 1 – Block Group 2).

Attached is the Resolution accepting these CDBG-R funds. Please forward this Resolution to the City Council so that it may be placed on their agenda for the meeting on October 12, 2009.
