Re: Request for Residential Parking District

K Reddersen

Chapter 10.28 of the City of Salisbury Code allows the City Council to designate parking on streets in a particular area to be restricted by permit. The Council may prohibit non-permit parking in such areas and that street would be posted as a permit area. Residents of that street would be required to fill out an application to receive the appropriate permits. Permits are renewed each year, effective July 1st. Permits are street specific, there is no charge for the permits and there is a limit of one permit per licensed driver or per registered vehicle.

Attached please find a resolution requesting the extension of the residential parking district to Smith Street between Monticello Avenue and Powell Avenue. There are six houses on this block of Smith Street and a majority of homeowners have signed the petition requesting the residential parking district (copy of petition attached). They have asked for residential permit parking 24 hours a day, seven days a week.

Per review of the petition and discussion with some of the residents, parking is difficult at times on this street due to the number of college students that use the street for parking, both during scheduled class hours, as well as evening and weekend hours.

Dear Mrs. Reddersen:

The residents and neighbors of Homes located on Smith Street between Monticello Av. and Powell Av., are suffering from an influx of college students parking on both sides of the street during the week days. This has been going on for a long time. Many students use our street for parking since it a convenient parking area to the University. We can't park in front of our own homes; and have difficulties getting in and our of our driveways. Also we have difficulties doing our lawn, and there are garbage and cleaning issues with both sides of the street being congested, etc... In addition parked cars on both sides present another safety issue should there be an emergency.

We would like to request RESIDENTIAL PERMIT PARKING ONLY on both sides of Smith Street between, Monticello Av. And Powell Av.

Attached is a signed Petition for this much needed request

Thank you for your consideration.

Very Truly Yours,

Salisbury City Residents
Monticello Av. and Smith St.

A Request for Residential Permit Parking Restriction
