Memorandum for: City Administrator

Subject: Donation of preliminary design services for the fueling facilities and the Port of Salisbury Marina

Attached is a Resolution accepting the donation of the preliminary design services for the fueling facilities at the Port of Salisbury Marina. The City Council approved funding for the construction of a new above ground fuel tank and pumps for the Salisbury Marina and Mr. William Gordy asked Jones & Frank Corp. to assist in the process. Jim Malone and Vernon Redden have assisted Dorine Turner in the project up to the point where the specifications and cut sheets need to go to an Engineer for final preparation to bid. Attached is a resolution accepting the donation to the City of Salisbury by Jones & Frank Corp. for the preliminary design work at no cost to the City of Salisbury.

Unless you or the Mayor have further questions, please forward this memorandum to the City Council. For any additional questions you may have, I can be reached at (410) 548-3170 or by e-mail at cmessick@ci.salisbury.md.us.

RE: Salisbury Marina

Dear Dorine,

Jones and Frank Corp. has agreed to furnish as a donation to the city the services needed to design the upgrade for the fueling facility at the city marina. We were asked by Mr. William Gordy to assist in the process to access what is there and the most feasible way to upgrade. Because of our long time relationship with Mr. Gordy we are pleased to assist in this project. Mr. Jim Malone and myself will assist the town engineering department until the project is ready for the bidding process.

Sincerely yours,

Vernon Redden
