Salisbury, MD 21801

Dear Sir,

Thank you for the opportunity to be considered for serving on the City Park Committee.

I have lived here for three years while serving as the Medical Director of Oncology Research at PRMC. I have lived off Beaglin Park Drive, near the Museum of Wildfowl Art for two years, and then at the Sleepy Hollow development off Pemberton Dr. for the last year. This has given me the opportunity to appreciate the natural beauty of the city's parks. I am very familiar with the City Park, as I drive by at least once per week. As an active outdoor runner, I have run numerous 2-5 mile routs on the roads and trails that flank the park, and done this in all four seasons. I have also utilized the tennis courts, and visited or run through the Zoo a number of times. Because of these experiences I am committed to continue to live in close proximity to the park.

I have previously served on a subdivision beautification committee when I was living in Michigan. I have also been active in charitable events related to, and an active donor to the PRMC hospital Foundation, and have other opportunities to network with members of that organization. This may be relevant, since the hospital is so close to the City Park. As a citizen in good standing, I would cherish the opportunity to help beautify the Park. I also have ideas how to dovetail charitable events that may utilize and/or benefit the park.

Spending the time to help out with your team seems really worthwhile. I believe with relatively cost effective investments or gifts, the park can be enjoyed by more people, and improve the recognition of the City Park as a place to visit by other city dwellers and visitors. In summary, I think this park has great potential, and I would like to share my ideas with your team.

Look forward to hearing from you soon.

With kindest regards,

Ben Yu, M.D.
