John Pick, City Administrator
City of Salisbury

Dear Mr. Pick:

The Zoo Commission would like to donate to the City a replacement sign for recognizing those persons and companies who support the Zoo. The new sign is designed to functionally replace a number of signs located along the Kratzer's Creatures trail. The new sign is designed to acknowledge a variety of donors, centralizes the efforts into one sign panel instead of many, and provides a more efficient means of updating the acknowledgements than what we have been doing in the past.

It is the wish of the Zoo Commission that the City accepts this sign and supports us in acknowledging the many donors who help make our Zoo a wonderful one!

Thank you,

Ronald G. Alessi, Sr.
