John Pick, City Administrator  
City of Salisbury

Dear Mr. Pick:

On behalf of the Salisbury Zoological Park, I would request that the City consider accepting the donation of a steel sign for the Zoo from the MaTech Corporation. This sign features our Zoo logo depicting the "Z" as a snake. It has been fabricated out of steel similar to those found along Rt. 13 near the Park-n-Flea and along the river walk. The sign is located among the perennials at the East gate entrance to the Zoo.

Through the connections of one of our Docents, this sign was fabricated and delivered to the Zoo by MaTech at no cost to us.

As this sign develops its patina, it should serve as an icon to our East gate entrance and provide an artistic tie to the other similar signs around the downtown.

It is the wish of the Zoo that the City accepts this sign and thanks MaTech for their generosity.

Thank you,

Joel M. Hamilton  
Salisbury Zoo Director
