Re: City loan review committee

Dear Ms. Chambers:

I apologize for my delayed response however; I would have interest in serving, in a volunteer capacity, on the City loan review committee.

I have extensive lending experience in both consumer and commercial lending, serving the needs of our Farmers Bank of Willards customers, in my capacity as Business Development Officer, since March 2004. In this role, I have been responsible for collecting and analyzing borrower financial information in order to make prudent lending decisions. The economic conditions that we operate in today demand attention to detail and conservative analysis therefore, while some lending decisions are made under the sole authority of our Bank Officers, many others are referred to our Board of Directors for a final lending decision. I am very pleased, and blessed, to work with such a capable group of banking professionals.

My banking career began with First National Bank of Maryland / Allfirst / M&T Bank in February 1998. I worked as Branch Manager of the Ocean City and Carroll Street offices, entertaining small business and consumer loan applications. I survived several mergers and became an Assistant Vice President with M&T Bank prior to my resignation in March 2004.

I graduated in May 1987, from Salisbury University, with a Bachelor of Science degree in Accounting. I am a Certified Public Accountant having earned my CPA designation while employed, from 1987 to 1993, with Rowles & Company, LLP, a regional based accounting firm.

I currently reside in Salisbury with my wife and three children. Please feel free to contact me for additional information.

Sincerely,

William S. Turner
