Memorandum for John Pick, City Administrator

Subject: Resolution for Parking Restrictions – North Spur of N. Division Street (N. Division St. / Livingston St. Intersection)

---

As a result of vehicular parking on the east and west sides of the southbound approach of the North Division Street spur to Livingston Street, sight distance problems are created for eastbound traffic at the intersection of Livingston Street and Salisbury Boulevard.

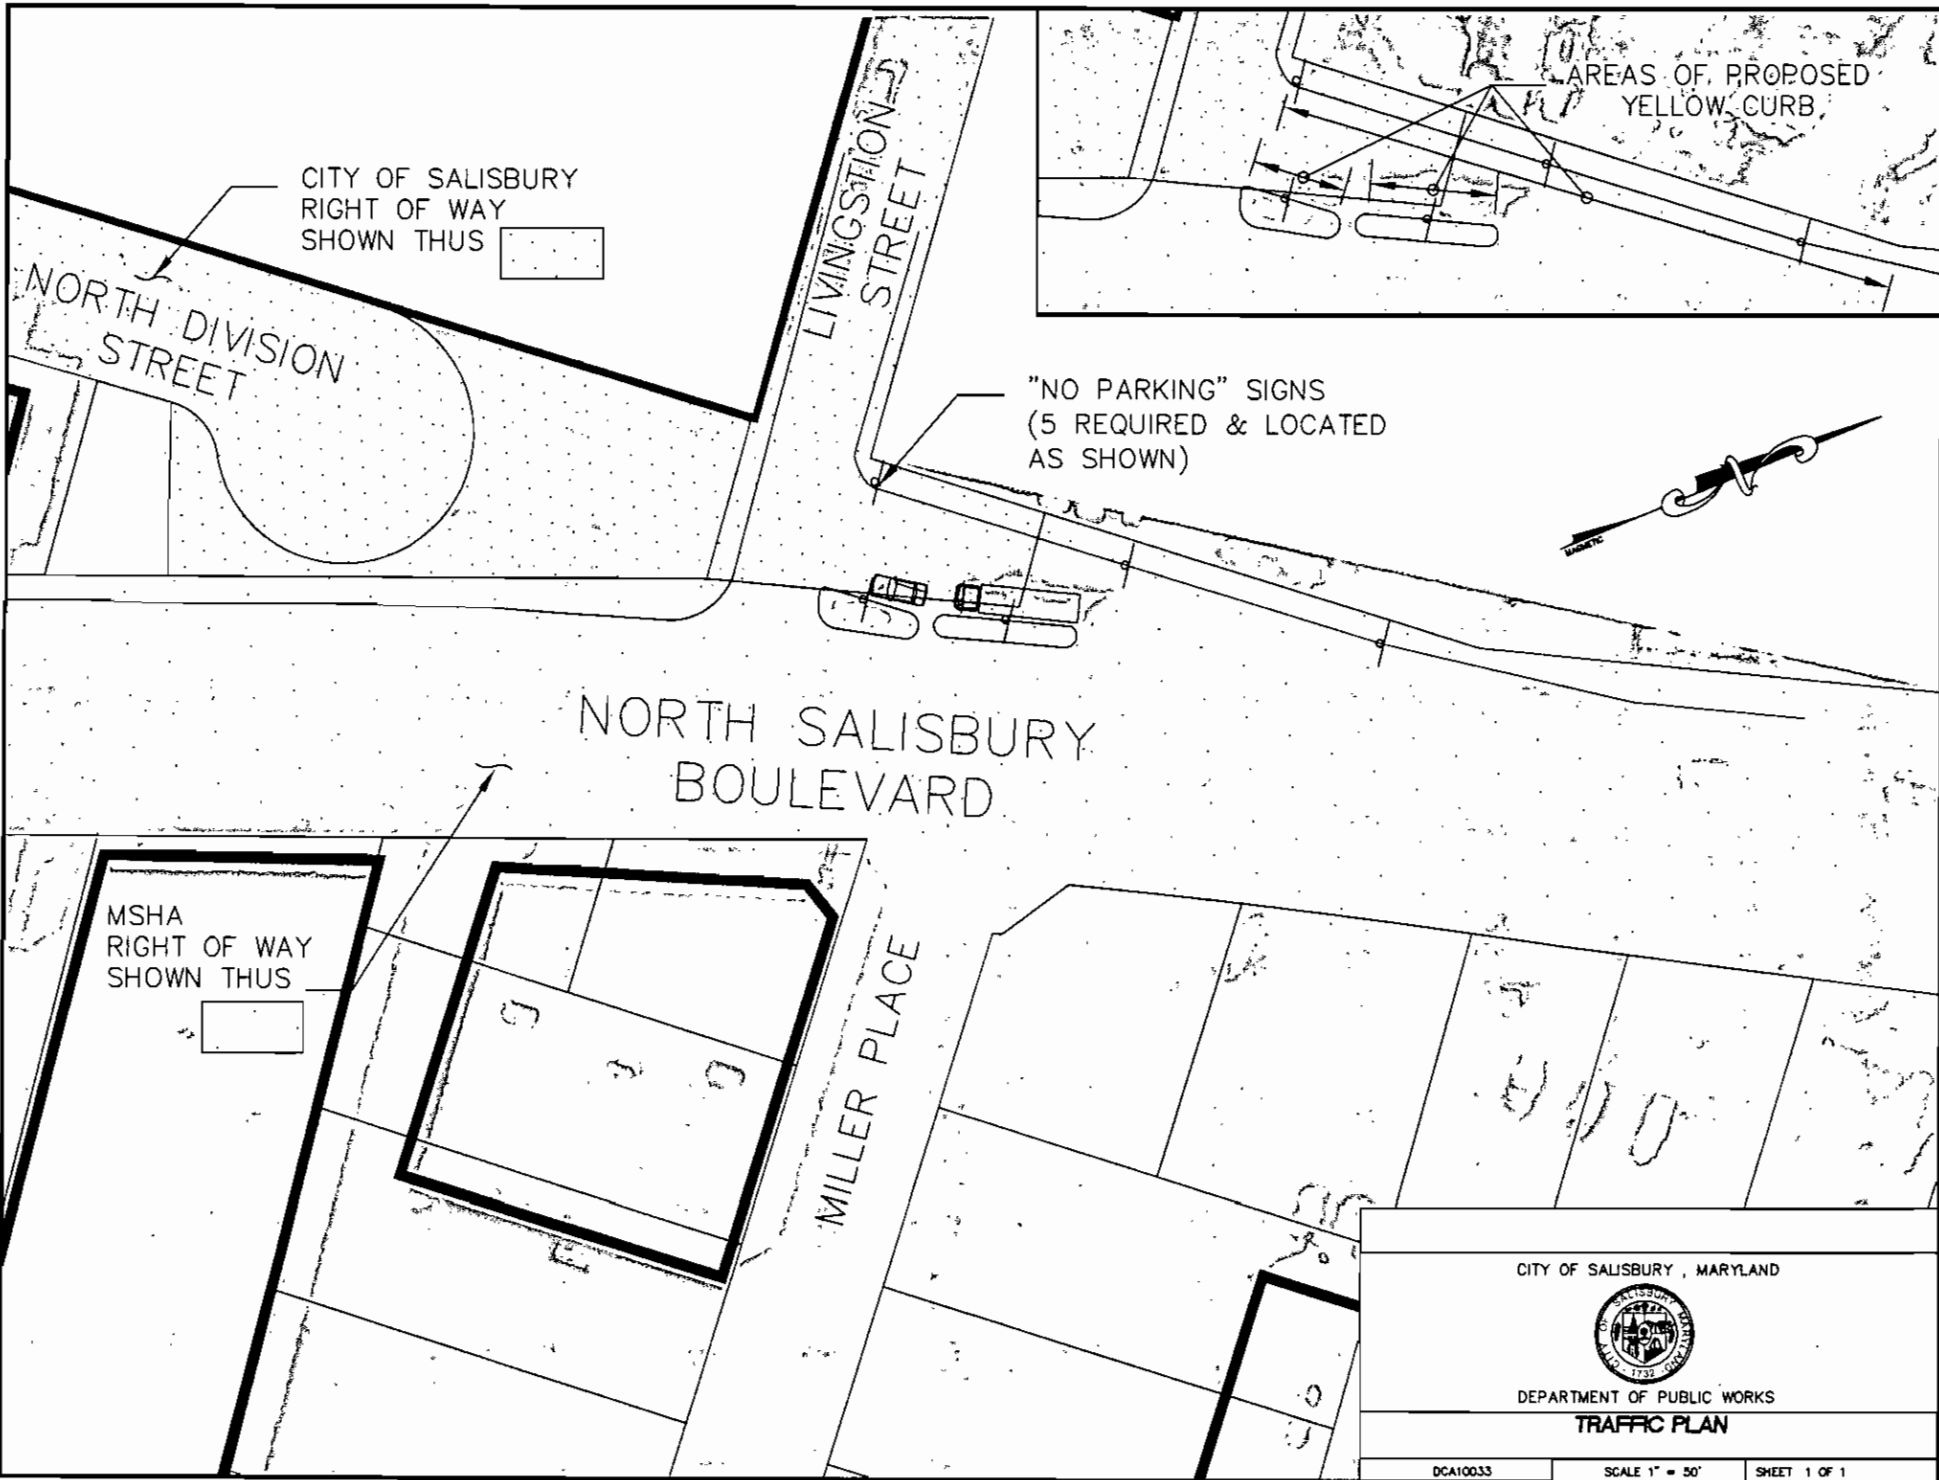

Salisbury Public Works, with concurrence from Maryland State Highway Administration, recommend the following modifications to eliminate sight distance problems at the Livingston Street / Salisbury Boulevard intersection:

- Post "NO PARKING" signs and yellow curb on the east and west sides of the southbound approach of the North Division Street spur from Salisbury Boulevard to Livingston Street.

A plan layout and photographs of the Livingston Street/ Salisbury Boulevard intersection are attached for clarification.

Unless you or the Mayor has further questions, please forward this memorandum to the City Council. For any additional questions you may have, I can be reached at 410/548-3170 or by e-mail [tgardner@ci.salisbury.md.us](mailto:tgardner@ci.salisbury.md.us).
