RE: Historic District Commission

Dear Mayor Ireton:

In response to your recent posting for two immediate openings on the Historic District Commission, I would like to express my interest and desire to serve on this commission.

Having been in business as an interior designer and decorator serving the area for twenty-eight years, I have the expertise, knowledge and experience that will add to this commission. I have worked with licensed contractors, plumbers, electricians, landscapers, installers of every kind in all aspects of the design field.

While taking graduate classes under Dr. Ray Thompson at Salisbury State University in 1996, I studied Greek, Roman and Egyptian history, architecture, philosophy and art.

At present, I am working on a committee involving the Historic Camden District for The Camden Neighborhood Association. This has brought about an extreme interest in preserving city historical heritage in urban design and encouraging the enhancement of quality neighborhoods in the Historic District, and beautifying the surrounding areas as well.
