John Pick, City Administrator
City of Salisbury

Dear Mr. Pick:

The Delmarva Zoological Society would like to donate to the City the funds necessary for contracting and completing the proposed changes to the perimeter fence near the construction site for the new Animal Health Clinic. The new fence will include a double gate that will be the service gate for the Clinic once it is completed. This gate will also serve as the construction entrance during the building process. The new fencing will duplicate the perimeter fence used around the deer and wolf exhibits.

Bill Sterling, Project Manager for the AHC, has secured three bids for this fence project. The lowest apparent bid is Anderson Fence. Their bid is \$ 11,868.00. The Delmarva Zoological Society would like to donate a check for this amount to the City of Salisbury so that the work on this important project can go forth.

It is the wish of the Delmarva Zoological Society that the City accepts this donation which brings us one step closer to having a new Animal Health Clinic!

Thank you,

J.P. DuBuque
Chairman, DZS
