John Pick, City Administrator  
City of Salisbury

Dear Mr. Pick:

The Delmarva Zoological Society would like to donate to the City a small van-type vehicle for use in the Salisbury Zoo's Education Programs. Currently, the Zoo has only two vehicles; a flatbed truck and a large 12 passenger van. While these vehicles are quite useful for the daily operations of the Zoo, the Delmarva Zoological Society would like to donate a small van or SUV style vehicle for use with the Zoo's educational outreach programs, particularly, the Zoo 2 U school programs. If accepted, the DZS will secure and donate a smaller, more energy efficient vehicle that will better serve the needs of the Education Department and their programs.

The vehicle will be wrapped with vinyl graphics. These images will be similar in style to the graphics on the Zoo's new website. These graphics will identify the vehicle as a zoo vehicle and help to further promote the Zoo within the community.

It is the wish of the Delmarva Zoological Society that the City accepts this vehicle donation to assist with the environmental education outreach programs that the zoo offers throughout the community. It is estimated that the value of this vehicle will be around \$ 25,000.00.

Thank you,

J.P. DuBuque  
Chairman, DZS
